Non-Titling Classes Offered

Rally Pairs

One Handler, Two Dogs! Working together through a rally course at the level selected and offered. This is like 'Brace' in obedience, with the option of the dogs being connected to each other. Scores will be based on a possible 200 points with ties being broken by time. No Jumps! For Excellent Level.

Team Rally

Four Handlers, Four Dogs! A fifth dog may be entered as an alternate at no additional fee.

However, only four dogs may compete on the team.

No dog may be entered on more than one team for that level.

Dogs can compete at any level despite their title.

Each dog and handler team will run the course individually and be scored individually...

however the team time starts when the judge says 'Forward' with the first team member and ends when the fourth team member crosses the FINISH sign. The time runs continuously, similar to a relay race!

Jump heights will be set for the height of the smallest dog on the team.

Team scoring is based on 400 points, or 100 points per team member.
